

:🌐 Library Databases

.....

The following databases can be accessed online from the NWLS web site (<http://nwls.wislib.org/>).

- ▶ **Ancestry Library Edition:** A genealogy research tool available to use in any NWLS library.
- ▶ **AskAway:** A qualified reference librarian is available online to answer questions any time of day, seven days a week.
- ▶ **BadgerLink:** Wisconsin residents have access to business, health, literature, magazine and newspaper resources, the majority of which are available in full-text. Promotional materials and an online support center are available for more information. If you are unable to access any BadgerLink database, log in using the Library Card Access page. The following databases are among the many resources available through Badgerlink:
 - ▶ **Auto Repair Reference Center**
 - ▶ **Consumer Health Complete**
 - ▶ **MasterFILE Premier** – reference database
 - ▶ **NoveList** – readers' advisory database
 - ▶ **NoveList K-8** – readers' advisory database
 - ▶ **HeritageQuest** – genealogy database
- ▶ **NetLibrary:** A collection of electronic books in the Merlin catalog that can be checked out and read on a home computer. A featured list of NetLibrary ebooks is available from the Merlin catalog. A free account can be created at a library.
- ▶ **OverDrive:** A collection of audiobook titles in Merlin that can be downloaded directly to a computer, an MP3 player or burned to a CD with a valid Merlin card. A featured list of OverDrive audiobooks is available from the Merlin catalog.

:🌐 Library Catalogs

.....

- ▶ **Merlin:** The shared catalog of NWLS member libraries. With a library card patrons can directly request, renew, and view their record.
 - ▶ **WISCAT:** The catalog of Wisconsin library collections.
 - ▶ **WorldCat:** A worldwide catalog of library collections.
-
